**Subject:** Customer Service Line Call re: Charleston

Trish,

Lorraine Stipp from the customer service line left me a voicemail about a call she received from a gentleman in Hurricane (sp?), WV. The man's name is Ex. 6 - Personal Privacy and he is concerned

about his private well water as he lives near a landfill that he says soil from Freedom Industries is being moved to. He also mentioned Waste Management, though in what capacity I do not know.

**Ex. 6 - Personal Privacy** number is: **Ex. 6 - Personal Privacy** Will you please call him to discuss? Lorraine tried to send him to WVDEP, but he wants to talk with someone from EPA.

I appreciate your assistance. If you have any questions, please call me.

Thanks,

Ken
